SPRING 2015
PRE-ORDER GUIDE

This is our Carmina Shoemaker pre-order guide for Spring 2015. In this booklet, you will find the styles we will be bringing to LeatherFoot for the spring/summer season of 2015.

Carmina Shoemaker has been incredibly popular at LeatherFoot, primarily due to their excellent value and versatile, classic styles. Carmina is a perfect introduction to Genuinely Goodyear Welted shoes, or a terrific addition to round out your wardrobe.

This season, we are introducing a new last called the Rain "D" last. It's shape in the forefoot and across the instep remains as accommodating as its predecessor, however improvements to the heel have substantially improved the fit.

As an incentive to our clients who pre-order this season, we are offering these styles at 2014 prices. The retail price of these models will be adjusted according to Carmina's increased 2015 price as soon as the stock arrives. To pre-order and reserve your size, please contact us either by email at info@leatherfoot.com, or by phone at 1-855-967-3668. A deposit of \$200 is required to hold your size, and the balance of the shoes will be charged to your credit card upon delivery to LeatherFoot. Please call or email to enquire about pricing.

**Please note that the photos in this guide may not be exact representations of the models, please read descriptions for colours and lasts.
